Next meetings will be:

February 9, 2022

April 13, 2022

July 13, 2022

October 12, 2022

Just to give you a feel for how the process works.

Members will receive a name badge the contains a nomination card & a Ballot for voting. Checkout the Nomination Criteria info. All nominations are collected and 3 are chosen at random. The nominator will give a 3-5 minute description of the organization and their needs. Members present will vote for one of the three organizations, to receive the donation. The votes will be counted & the winner is the one with the most votes! Each member writes their \$100 check to that organization. If unable to attend that night, you will receive an email with the winner's name. Fill out your check with that name & mail to Patti Wilde, 153 Norwood Ave, Norwalk, OH 44857.

We will present the recipient with your checks within a few weeks after the event. There will be a short follow up from the recipient at the next meeting, so we can hear what they were able to do with your donations!

The 2 organizations that did not receive the money, may be re-nominated at a future meeting. The Winning organization may not be nominated again for 1 full year.
